The Certificate shall state that coverage will not be suspended, voided, cancelled, reduced in coverage or in limits except after thirty (30) days or, if cancellation is due to non-payment of the premium, ten (10) days prior written notice by certified mail to the City.

In the event of a claim, any deductible or self-insured retention under these policies of insurance shall be the sole responsibility of the Contractor and that this coverage shall preclude subrogation claims against the City and any other person insured under the policy and be primary insurance in response to claims. Any insurance or self-insurance maintained by the City and any other person insured under the policy shall be considered excess of the Contractor's insurance and shall not contribute with it. The minimum amount of insurance required herein shall not modify, waive, or otherwise alter the Contractor's obligation to fully indemnify the City under this Agreement.

The City reserves the right to modify the insurance requirements as deemed suitable. If the City requests to have the amount of insurance increased or to obtain other special insurance for this Project, then the Contractor shall endeavour forthwith to obtain such increased or special insurance at the City's expense.

- .10 **Third Party Claims Process:** The City's claims process for Third Party claims is to refer the claimant directly to the Contractor and to leave the resolution of the claim with the Contractor. This applies regardless of whether or not it is an insured loss.

As the City has a responsibility to the taxpayers, we must ensure that claimants are dealt with in a fair and efficient manner. Claims reported to the Contractor, either directly by a third party or through the City shall be promptly investigated by the Contractor (its insurer or adjuster). The Contractor shall contact the third-party claimant upon receipt of notice of a claim. The Contractor shall initiate an investigation of the claim immediately upon notice and advise the third-party claimant in writing (preferably by a qualified third-party adjusting firm), with a copy to the City, of its position regarding the claim upon completion of this investigation. Such investigation shall be done in a professional manner and within a reasonable time frame consistent with Insurance Institute of Canada practices. In their response to the claimant, the Contractor shall include the reasons for their position. Should this position not resolve the claim, the Contractor shall immediately report the claim to its Insurer. If the Contractor fails to follow this procedure, the City may report such claims to the Contractor's insurer.

Nothing herein shall limit the right of the City to investigate and resolve any such claims notwithstanding the response of the Contractor and/or its insurer and to seek indemnification from the Contractor or to exercise any other rights under the Contract. (Costs may include but not limited to: adjusting fees, settlement awards, reasonable legal fees, administrative costs, etc.)

The City may, without breaching this contract, retain from the funds owing to the Contractor an amount that, as between the City and the Contractor, is equal to the balance in the City's favour of all outstanding debts, claims or damages, whether or not related to this contract."
