**Item 1: New Information**

**Question 1:**

1. please advise on what equipment need to be monitored/ controller via BAS and integrated back to City Of Pickering front end monitoring system (Honeywell EBI).
2. Please provide the bid validity of this project.
3. Please provide the list of contractors who attended the Mandatory site visit.
4. Please provide the phasing plan for this project.
5. Do we need to submit Certificate of Insurance in bid submission? Please clarify.

**Answer 1:**

1. The mechanical drawings do not indicate any equipment to be connected to BAS. 2. See 3.6.1 No Contract A and No Claims This procurement process is not intended to create and will not create a formal, legally binding bidding

process and will instead be governed by the law applicable to direct commercial negotiations. For greater certainty, and without limitation:

- (a) this RFP will not give rise to any Contract-A-based tendering law duties or any other legal obligations arising out of any process contract or collateral contract; and
- (b) neither the proponent nor the City will have the right to make any claims (in contract, tort, or otherwise) against the other with respect to the award of a contract, failure to award a contract, or failure to honour a proposal submitted in response to this RFP.

- 3. Means and methods are at the discretion of the contractor but must be coordinated with the City to ensure that Fire Services staff have a working kitchen and sleeping area at all times. The Facility must remain open and functional throughout the duration of the work.
- 4. No, the Certificate of Insurance will be submitted by the awarded bidder.

**Question 2:**

As per Addendum 3, closing date is extended to April 17, 2024 whereas the closing date on RFP document was mentioned as April 26, 2024 at 2:00 pm. Please clarify.

**Answer 2:**
