QUESTIONS AND RESPONSES

Q1 Regarding the window shades in room 128 and 129, please confirm the height of the shades, is it the full height of vision window or as noted on the Curtain Wall Elevation C129 it kind of looks like it might be where the dotted lines are for the width and height.

R1 Refer to General Information, Item 1.

Questions and Answers:

1.1 Question: Regarding the window shades in room 128 and 129, please confirm the height of the shades, is it the full height of vision window or as noted on the Curtain Wall Elevation C129 it kind of looks like it might be where the dotted lines are for the width and height.

Answer: *The Intention is for the roller shades in rooms 128 and 129 to be mounted on the mullion above the vision glass as per detail 7-A7.00 and have enough shade length to completely cover the vision glass in those rooms. Disregard hidden lines showing shades in detail 3-A8.03.*
