

# 25 Ton Skid Mounted Air Conditioner, 72 kW Heat

5-25 Ton AC Units | 718-1610

Keep your space dehumidified, cooled or heated to industry and company-wide standards with this industrial 25-ton skid mounted air conditioner, 72 kW heat. Our self-contained air conditioner rental is heavy for increased stability yet easy to move thanks to forklift pockets on all four sides and a galvanized skid/cage for simpler lifting and stacking. The cooling capacity of the packaged air conditioner is 25 tons and it can also remove up to 82 lb/hour of moisture, giving you the equipment you need to improve environmental conditions on a variety of different job sites.
