# Confined Space Inventory **Commissioners Transfer Station** 400 Commisioners Street

<p><b>Note :</b> All spaces, regardless of category, must undergo a Hazard Assessment prior to entry. Confined Space Procedures apply automatically to spaces classified as <b>“Definite”</b>. Confined Space Procedures will apply to spaces classified as <b>“Possible”</b> if the Hazard Assessment indicates that a hazardous atmosphere exists or may develop there.</p>	<p><u>Last updated:</u> <b>October 2015</b></p>
