

Part 4 - Form C - Experience and Qualifications Requirements

RFT No. Ariba Doc4619099831, Contract No. 23SWM-IRM-026CDU

1. Experience Requirements

The Supplier must have the following experience in order to be considered for award of the Contract:

Must have completed (including testing and commissioning) and must have achieved Substantial Completion within the meaning of the Construction Act for at least three (3) projects within the past five (5) years as a General Contractor involving the supply and erection of structural steel, wall cladding system, roofing systems, installation of pile foundations, concrete works as well as mechanical and electrical installations having a minimum dollar value of one million Canadian dollars (1,000,000 dollars) for each project (excluding taxes). At least one of these projects must have involved staged/phased construction activities.

2. Project Experience / Comparable Projects

The Supplier must provide details and references for a minimum of three projects reference above for the purpose of confirming the Supplier's experience and track record of success. The Supplier shall provide the requested references for clients who have obtained construction services similar to those required for this Project/RFT from the Supplier in the last five (5) years. Failure to provide verifiable experience shall result in the Bid being declared non-compliant.

3. Qualification Requirements

a. Current Certificate of Recognition (COR™) or equivalent OHS Certification

Each Supplier shall acquire and upload a copy of a valid Certificate of Recognition (COR™) or Equivalent OHS Certification in the legal name of the Supplier or in the case of a joint Bid, for, and in the name of, each member of the Joint Bid Team.
