Proponents shall note that products specified or shown on Drawings by brand name or catalogue number and/or by the name of the manufacturer or supplier shall form the basis of the Bid. Bids which are not submitted for the products specified in the Bid Documents may be considered non-compliant and may be rejected.

Proponents may submit a request that the Board consider substitute products. The Board will ONLY review substitution requests during the bidding period under the following conditions:

Requests must be received no later than nine (9) calendar days prior to the Submission Deadline.

Requests shall include all required technical information, organized and presented in an easily understandable format.

Requests shall clearly identify differences (if any) from specified products. Follow Specification description format utilized in the Bid Documents to facilitate comparison.

List proposed substitutions under "Proposed Substitutions" in the appropriate space designated for that purpose on the Supplementary Bid Form. Show the substitute products name and state the difference in bid price, if any, should the proposed substitution be accepted.
