2.0 INFORMATION TO BIDDERS

2.1 bidsandtenders Electronic Bid Submission Information

ELECTRONIC BID SUBMISSIONS ONLY shall be received by the Bidding System on the closing date, no later than 11:00:00 a.m. local time. All Bidders shall have a Bidding System Vendor Account and be registered as a Plan Taker for this Bid Request, which will enable the Bidder to download the Bid Call Document, to receive Addenda/Addendum email notifications, download Addenda/Addendum and to submit their Bid Submission electronically through the Bidding System.

The Bidding System will send a confirmation email to the Bidder advising that their Bid Submission was submitted successfully. If you do not receive a confirmation email, contact technical support at Bids&Tenders via email: support@bidsandtenders.ca.

Late Bid Submissions shall not be accepted by Durham District School Board's Bidding System. To ensure receipt of the latest information and updates via email regarding this Bid Request or if a Bidder has obtained this Bid Document from a third party, the onus is on the Bidder to create a Bidding System Vendor Account and register as a Plan Taker for the Bid Request at <https://ddsb.bidsandtenders.ca>.

ADDENDUM/ADDENDA

ALL QUESTIONS & ANSWERS will be posted as an Addendum. All questions should be submitted through the bidding system portal by clicking on the submit question button at <https://ddsb.bidsandtenders.ca>. Bidders shall acknowledge receipt of any Addenda when submitting their Bid Submission through the Bidding System. Bidders shall check a box for each Addendum/Addenda and any applicable attachments that have been issued before a Bidder can submit their Bid Submission online.

Addendum/Addenda will typically be issued through the Bidding System up to five (5) days prior to Bid Closing Date and Time.

In the event an Addendum is issued within five (5) days prior to Bid Closing Date and Time, it may include an extension of the Bid Closing Date and Time. It is the responsibility of the Bidder to have received all Addendum/Addenda that have been issued. Bidders should check online at <https://ddsb.bidsandtenders.ca> prior to submitting their Bid Submission and up until Bid Closing Date and Time in the event additional Addendums are issued.

Durham District School Board encourages Bidders not to submit their Bid Submission prior to five (5) days before the Bid Closing Date and Time, in the event that an Addendum is issued. If a Bidder submits their Bid Submission at any time prior to the Bid Closing Date and an Addendum/Addenda is issued by Durham District School Board, the Bidding System shall WITHDRAW their Bid Submission and change the status to INCOMPLETE (NOT accepted by Durham District School Board). The Withdrawn Bid Submission can be viewed and re-submitted by the Bidder in the "MY BIDS" section of the Bidding System.

WITHDRAW/EDIT BIDS

Bidders may edit or withdraw their Bid Submission prior to the Bid Closing Date and Time. However, the Bidder is solely responsible to:

- make any required adjustments to their Bid Submission; and
- acknowledge the Addendum/Addenda; and
- ensure the re-submitted Bid Submission is RECEIVED by the Bidding System no later than 11:00:00 a.m. local time, on the Bid Closing Date.

COMPANY CONTACTS

Additional company contacts are recommended for the reasons outlined below:

You are strongly urged when creating or updating a Bidding System Vendor Account to add additional company contacts to create their own login to the Bidding System. This will permit your invited contacts that have created their own login to manage (register, submit, edit and withdraw) Bid Submissions which your Company is a Registered Plan Taker for. In the event you are on vacation, or due to illness, etc. these additional contacts may act on your Company's behalf and have the authority to receive Addendum notifications from the Bidding System, and where permitted by the terms and conditions of the Bid Call Document, to submit Bid Submissions electronically through the Bidding System and/or withdraw and/or edit and/or acknowledge Addendum/Addenda, on your behalf.

Notwithstanding the above, it is recommended that you do not invite any additional contacts that you do not want to have access to view, edit, submit and/or withdraw or who may be in direct competition (for example, a company may have two divisions that could compete for the same Bid Request).

If you are an invited company contact, it is imperative that you create your login from the link contained in the email invitation. Do NOT go directly to <https://ddsb.bidsandtenders.ca> website and create a separate vendor account. Contact support@bidsandtenders.ca for all technical issues.

BID CLOSING DATE AND TIME

All Bidders shall have a Bidding System Vendor Account and be registered as a Plan Taker for this Bid Request, which will enable the Bidder to download the Bid Call Document, to receive Addenda/Addendum email notifications, download Addendums and to submit their Bid Submission electronically through the Bidding System.

Bid Submissions shall be received by the Board's Bidding System not later than 11:00:00 a.m. Eastern local time, on the specified Bid Closing Date. The Bid Closing Time shall be determined by the Bidding System web clock.

Bidders are cautioned that the timing of Bid Submission is based on when the Bid Submission is RECEIVED by the Bidding System, not when a Bid Submission is submitted by a Bidder, as Bid Submission transmission can be delayed in an "Internet Traffic Jam" due to file transfer size, transmission speed, and other electronic considerations.

For the above reasons, Durham District School Board recommends that Bidders allow sufficient time to upload their Bid Submission and attachment(s) (if applicable) and to resolve any issues that may arise. The Bid Closing Date and Time shall be determined by the Board's Bidding System web clock.

Original Bid Request forms not completed in the prescribed manner may be considered INVALID.

It is the sole responsibility of the Bidder to ensure a Bid Submission is delivered on time. Late Bid Submissions will not be accepted by the Board's bidding system.

Copies of any pertinent Bid Deposit and Bid Surety will need to be included with your Bid Submission. Durham District School Board may request the originals to be sent in the mail, should the Bid Submission be Awarded the Contract.

Durham District School Board hereby consents to the use of an electronic signature for the signing of all documents requested hereunder. Acceptable forms of electronic signature include, but are not limited to, the typing of the Bidder's authorized signing Officer's name or the inclusion of an image of the Bidder's authorized signing Officer's signature, so long as the electronic signature is sufficient to identify the Bidder's authorized signing Officer. The Bidder's authorized signing Officer agrees that whatever form of electronic signature is provided constitutes a signature for the purposes of executing all documents requested hereunder.

2.2 Bid Deposit

A Bid Deposit shall be in the form of bank draft, bid bond, certified cheque or money order, payable to the DDSB, in the amount of 10% (ten percent) of the Bid Price.

The Bid Deposit of the successful Bidder(s) will be returned subsequent to the execution of the Contract and provisions for the Contract have been submitted.

The Bid Deposit shall be forfeited if the Vendor/Contractor Awarded the Contract fails to accept the Contract or withdraws their Bid Submission after notification of acceptance of the Bid Submission.

Bid Submissions not accompanied by the required Bid Deposits shall be rejected.

In the case of a discrepancy between the DDSB Front End Documents and the CCDC 2 Documents, the DDSB Front End Documents will prevail. In the event that the CCDC Documents are not signed by the parties hereto, the terms and conditions of the CCDC Documents are specifically hereby incorporated by reference and part of the Contract Documents and the parties hereto are bound by them, subject to the foregoing sentence.

6.9 Protection Of Work & Property

Completion of the Work shall in no way interfere with the use of adjacent buildings or surrounding areas. The Vendor/Contractor shall adequately protect adjacent property from damage or injury. If damage or injury does occur, the Vendor/Contractor will return the damaged or injured property to its original or an equivalent state, at the expense of the Vendor/Contractor. The Vendor/Contractor shall provide, erect and maintain all necessary guardrails, barriers, night-lights, sidewalk and curb protection, etc. as may be necessary or as

The Vendor/Contractor will be responsible for repairing all damages its employees, representatives or its sub-contractors may cause to the property during the execution of the Work.

6.10 Quality

Product quality will be of the essence of any Contract issued to successful Bidder(s) through this Bid Request process. The Contractor shall maintain quality control over the area of construction and products provided within until accepted by DDSB.

If product substitutions are necessary after one or more Contract(s) are awarded, any proposed substitute must be approved by the DDSB project representative(s). A formal request (in written or electronic format) for substitution shall be submitted by the Contractor for DDSB review – See subsection 4.2 - “Substitutions”

6.11 Samples

Bidders must provide samples, upon request, for all products during pre-Award evaluations. Failure to do so may result in that Bidder’s product not being considered for Award.

Any item which fails in any way to meet the specifications of the Bid Request is subject to rejection. The decision of the DDSB pertaining to items being rejected shall be final.

Inferior items shall be removed at once, by the Vendor/Contractor at their own expense. Should the Vendor/Contractor refuse to remove any items so rejected, the DDSB may then take action to remove such items at the Vendor/Contractor's expense.

6.19 Unforeseen Conditions & Toxic/Hazardous Substances

If the Contractor encounters an unforeseen condition or hazardous substance at the Place of Work:

1. Immediately identify the condition to the DDSB's project representative.
2. The DDSB will review with the Contractor and provide further direction based on review with DDSB Health & Safety and the consult of a third-party inspection and testing firm if required.

NOTE: WORK IS NOT TO PROCEED until further advised by the DDSB's project representative.

This procedure must be followed and is in place to ensure all workers (the employees of the DDSB and/or the Vendor/Contractor) are adequately protected under the provisions of the Occupational Health & Safety Act of Ontario.

6.20 Warranty

The successful Bidder(s) warrants to the DDSB that:

- All Goods/Services, materials and equipment supplied under the Contract are free of all defects in manufacture and workmanship for a period of not less than 2 years from date of delivery, installation or performance (whichever is the later);

- In the event that the Vendor/Contractor(s) does not promptly honour the above warranties to the satisfaction of the DDSB, the DDSB may, at the sole cost of the Vendor/Contractor, do whatever it deems necessary and advisable to remedy, rectify or replace the defective, deficient or non-compliant goods, services, materials or equipment.

6.21 Guarantee

The Vendor/Contractor guarantees that with ordinary use the said work shall, for the period of twelve (12) months, unless otherwise specified from date of final acceptance by the DDSB, remain in such condition as will meet with the approval of the DDSB's representative and that the Vendor/Contractor will, upon request, repair any imperfection due to materials used in the construction or workmanship.

The decision of the DDSB as to the nature, extent and cause of such imperfections and the necessity for correcting the same shall be final.

All Goods/Services and/or equipment furnished or supplied pursuant to the Contract shall be installed or attached in such a manner as to preserve all manufacturer's and

Vendor/Contractor's warranties, which shall, together with all parts and components, become the property of the DDSB after successful and satisfactory installation or attachment.

Prior to final payment, a Certificate of Clearance must be issued indicating all payments by the Vendor/Contractor to the DDSB in conjunction with the subject Contract have been made and that the DDSB will not be liable to the WSIB for future payments in connection with the Vendor/Contractor's fulfillment of the Contract.

7.0 PAYMENT

Invoicing and ordering format to be in accordance with the latest revision of the Construction Act and DDSB's Contractor Prompt Payment Procedures.

In addition to the requirements of the Construction Act, the following required documentation, and any further required documentation or information that the DDSB and the Contractor may agree upon, must be included in order for the Proper Invoice to be considered complete:

- (i) Completed DDSB Formal Application of Payment by Contractor form including Substantial Performance calculations when applying for Substantial Performance.
- (ii) Contractor's Proper Invoice including itemized breakdown, claims and reference to Purchase Order number where applicable.
- (iii) Cash Allowance breakdown including supporting invoices for claims.
- (iv) Change Order breakdown including front page copy of signed change orders being claimed, including signatures of Contractor, Consultant and Owner.
- (v) WSIB Clearance Certificate including correct project name, date covering the time frame the Work was completed, listing DDSB as the Owner.
- (vi) Completed Statutory Declaration CCDC form 9A, with date.
- (vii) Schedule of values submitted by key/major Sub-Contractors employed by the Prime Contractor which includes a comprehensive breakdown of the sub-contractor's *Work*:
 - Line-item costing
 - Percentage of *Work* complete
 - Balance of work remaining

7.2 Liens (Construction Act)

The Contractor shall comply with the terms and conditions of the latest revision of the Construction Act (Ontario) as amended from time to time.

7.3 Payments to Vendors

The DDSB, at its discretion, will make payments to Vendor/Contractors electronically or by cheque.

Vendor/Contractors are required to provide the DDSB, upon request, with the necessary banking information (e.g. void blank cheque) in order that payments, at the discretion of the DDSB, can be made electronically.

7.4 Purchase Orders

Purchase orders will be issued by the DDSB for all Goods/Services required. No payment will be made unless the Vendor/Contractor can produce a valid purchase order. All invoices submitted for payment must reference the purchase order number issued by the DDSB.

7.5 Certificate of Substantial Performance

The DDSB reserves the right to request the Vendor/Contractor to publish the date of Substantial Performance of the project. Where the value of the project is greater than or equal to the value of \$100,000, exclusive of HST, the Vendor/Contractor shall be required to post a formal publication of the Substantial Performance of the project within a registered news outlet (i.e. Daily Commercial News), and as further set out in the Construction Act.

Where there is no certification or declaration of Substantial Performance of a Contract, or where the required publication has not occurred, lien rights expire at the conclusion of the sixty (60) day period following the date the Contract is completed, as signified by the payment of the final progress claim.

7.6 Right to Audit

The Bidder must provide a formula or means for which the DDSB can verify, at any point during the Contract, that the pricing or percentage mark-up is being maintained by the Bidder. This formula may be used by the DDSB for random spot checks to validate pricing.

The DDSB reserves the right to periodically audit invoices from Vendor/Contractors, issued to the Vendor/Contractor, to verify adherence to Contract pricing.

In the event that pricing discrepancies exist, the Vendor/Contractor, at their expense, shall correct all invoices and issue payment or credit notes to the DDSB within thirty (30) days of the request by the DDSB.

Where a full audit of all invoices is required, the Vendor/Contractor shall perform the audit to the DDSB's satisfaction within thirty (30) days of the request and issue payment or credit note covering all amounts overcharged within sixty (60) days of request for audit.

The DDSB, in its sole discretion, in each case shall determine whether payment by cheque or credit note is appropriate.

Should the Vendor/Contractor fail to perform any of the audit requirements noted above, the DDSB reserves the right to terminate the Contract, without incurring any cost or liability, giving thirty (30) days written notice.

8.0 CHANGES IN THE WORK

8.1 Change Orders and Mark Ups

The DDSB may, without invalidating the contract, direct the Vendor/Contractor to make changes in the Work.

When a change causes an increase, or decrease in the Work, the Contract Price shall be increased or decreased by the unit price(s) quoted, or in the absence of applicable unit price(s), by an amount to be agreed upon between the DDSB and the Vendor/Contractor.

Any changes in the Contract will be in the form of a written change notice from the DDSB Purchasing Department.

Where changes in the Work are made after the Award of Contract and are not to be valued by the unit prices, the Vendor/Contractor agrees to provide bids for the proposed changes to the DDSB (Purchasing Department) indicating the complete breakdown of material and labour costs, mark-up, profit etc.

Mark-up for changes shall be applied as follows:

Prime Contractor's Own Work:
Prime Contractor Overhead = 10%
Prime Contractor Profit = 5%

Sub-Contractor's Work:
Sub-Contractor Overhead = 5%
Sub-Contractor Profit = 5%
Contractor Overhead (only) on Work of Subcontractor = 10%

In the event that any prices or units costs for a Change Order are determined using All Priser, the Proponent agrees to only include up to 50% of the output cost determined by All Priser, failing which the DDSB reserves the right to reduce any unit pricing determined by All Priser and submitted in a Change Order request to 50% of the amount so determined by All Priser.

For clarity, in calculating the value of any changes, the Vendor/Contractor shall apply markups for profit and overhead independently and only to the actual net cost of any increase. Accordingly, the actual net cost used to determine the percentage increase for profit shall not include the increased value for overhead, and vice versa.

8.2 Force Majeure / Delays in The Work

1.1 Force Majeure

For the purposes hereof, "Force Majeure" means the occurrence of an event or circumstance ("Force Majeure Event") that prevents or impedes a party from performing

one or more of its contractual obligations under this Agreement, if and to the extent that the party affected by the impediment (the “Affected Party”) proves:

- (a) that such impediment is beyond its reasonable control; and
- (b) that it could not reasonably have been foreseen at the time of the conclusion of the Agreement; and
- (c) that the effects of the impediment could not reasonably have been avoided or overcome by the Affected Party.

1.2 Non-Performance by Third Parties

Where a party fails to perform one or more of its contractual obligations because of a default by a third party whom it has engaged to assist such party in performing the Agreement, such party may only invoke Force Majeure only to the extent that the requirements under Article 1.1 are established both for such party and for the third party.

1.3 Presumed Force Majeure Events

In the absence of proof to the contrary, the following events affecting a party shall be presumed to fulfill conditions (a) and (b) of Article 1.1, and the Affected Party only needs to prove that condition (c) of Article 1.1 is satisfied:

- (a) war (whether declared or not), hostilities, invasion, act of foreign enemies, extensive military mobilization;
- (b) civil war, riot, rebellion and revolution, military or usurped power, insurrection, act of terrorism, sabotage or piracy;
- (c) currency and trade restriction, embargo, sanction;
- (d) act of authority, whether lawful or unlawful, compliance with any law or governmental order, expropriation, seizure of works, requisition, nationalization;
- (e) plague, epidemic, quarantine or other health emergency affecting the general public, natural disaster or extreme natural event;
- (f) explosion, fire, destruction of equipment, prolonged break-down of transport, telecommunication, information system or energy;
- (g) general labour disturbance, such as boycott, strike and lock-out, go-slow, occupation of factories and premises.

1.4 Notification

The Affected Party shall give notice of the event without delay to the other party.

1.5 Consequences of Force Majeure

A party successfully invoking Force Majeure is relieved from its duty to perform its obligations under this Agreement and from any liability in damages or from any other

contractual remedy for breach of contract, from the time at which the impediment causes inability to perform, provided that the notice thereof is given without delay. If notice thereof is not given without delay, the relief is effective from the time at which notice thereof reaches the other party. The other party may suspend the performance of its obligations, if applicable, from the date of the notice.

1.6 Temporary Impediment

Where the effect of the impediment or event invoked is temporary, the consequences set out in Article 1.5 above shall apply only as long as the impediment invoked prevents performance by the Affected Party of its contractual obligations. The Affected Party must notify the other party as soon as the impediment ceases to impede performance of its contractual obligations.

1.7 Duty to Mitigate

The Affected Party is under an obligation to take all reasonable measures to limit the effect of the event invoked upon performance of the Agreement.

1.8 Agreement Termination

Where the duration of the impediment invoked has the effect of substantially depriving the parties of which they were reasonably entitled to expect under the Agreement, either party has the right to terminate the Agreement by notification within a reasonable period to the other party. Unless otherwise agreed, the parties expressly agree that the Agreement may be terminated by either party if the duration of the impediment exceeds one hundred and twenty (120) days.

1.9 Unjust Enrichment

When Article 1.8 applies, and where either party in the performance of the Agreement derived a benefit before the termination of the Agreement, the party deriving such a benefit shall pay to the other party a sum of money equivalent to the value of such benefit.

9.0 INDEMNIFICATION & LIABILITY

9.1 Indemnification of Client

The Vendor/Contractor agrees to indemnify and save harmless the DDSB from all actions, suits, claims and demands, and costs and damages arising by reason of injury or death to any person or any property resulting from the services or work performed herein.

9.2 Intellectual Property Indemnity

The Vendor/Contractor shall defend, indemnify and hold DDSB harmless against all third- party claims, suits, proceedings, costs, damages, losses and expenses (including reasonable legal fees and settlement fees), and judgments incurred, claimed or sustained by DDSB arising out of or related to any allegation that any portion of the Goods/Services (including software and updates, error corrections, or upgrades thereto) violates any patent, copyright, trade secret, trade-mark, or other third-party intellectual property right. If a claim is filed in a court or other administrative proceeding seeking to enjoin the use of the Goods/Services, the Vendor/Contractor shall either:

- (i) at the Vendor's/Contractor's cost, procure for DDSB the right to continue to use the relevant portion of the Goods/Services;
- (ii) replace, at the Vendor's/Contractor's cost, the relevant portion of the Goods/Services with a substitute product that functions substantially in accordance with the applicable specifications of that portion of the Goods/Services; or
- (iii) at the Vendor's/Contractor's cost, modify the Goods/Services so that it does not infringe or misappropriate, provided that the Goods/Services, as modified, continues to perform substantially in accordance with the applicable specifications.

The Vendor/Contractor will have the right to control the defense, select counsel, and direct the course of resolution, including settlement of any infringement claim (but only if the settlement does not include an admission of liability by DDSB, does not involve more than the payment of money, and grants DDSB a full and unconditional release from all liability with respect to the claim). In addition to the defense provided by the Vendor/Contractor, DDSB may elect to retain its own counsel, but the Vendor/Contractor will not be responsible for any fees or expenses of such counsel.

This indemnity shall survive the expiration or sooner termination of the Contract.

9.3 Insurance (Fire)

The successful Bidder shall be responsible for fire insurance on their own facilities and equipment.

9.4 Insurance (General Liability)

The Vendor/Contractor shall provide and maintain at their own expense, a policy of general liability insurance issued by an insurance company incorporated or licensed to conduct insurance business in the Province of Ontario during the entire contract period.

General liability insurance shall be in the name of the Vendor/Contractor, naming the DDSB as additional insured, with limits of not less than five million (5,000,000.00) dollars inclusive per occurrence for bodily injury, death, and damage to property including loss of use thereof.

In the case of any Roof Replacement or New Roofing projects, General Liability Insurance shall be in the name of the Vendor/Contractor, naming the DDSB as additional insured, with limits of not less than ten million (10,000,000) dollars inclusive per occurrence for bodily injury, death and damage to property including loss of use thereof.

The Vendor/Contractor shall provide the DDSB (Purchasing Department) with proof of insurance within 10 days of issuance of the written notification of intent to award the Contract.

10.0 RIGHTS AND RESPONSIBILITIES

10.1 Environmental

In an effort to reduce environmental waste, the DDSB promotes and supports goods and services that are environmentally friendly and contain the maximum level of post-consumer waste and/or recyclable content, without significantly affecting the intended use of the goods or services. Where possible, packaging shall be manufactured from recycled materials.

10.2 Government or Regulatory Actions

Where any governmental or regulatory authority having jurisdiction (AHJ) requires the DDSB or the Vendor/Contractor to recall or cease using any Goods/Services, the DDSB or the Vendor/Contractor, as the case may be, shall promptly notify the other of such decision or requirement providing all relevant particulars.

In the case of any recall, seizure or requirement to cease using any of the Goods/Services by any governmental or regulatory authority having jurisdiction, the Vendor/Contractor, without limiting the DDSB's rights or remedies, shall be provided the opportunity to provide corrective action satisfactory to the DDSB, as follows:

- replace or repair the good/services and deliver replacement or repaired good/services to the DDSB, which is satisfactory to the DDSB; and
- honour all applicable good/services warranties

In any event, the Vendor/Contractor shall defend, indemnify and hold the DDSB and its officers, directors, agents, principals, elected officials or employees harmless from and against all damages, liabilities, and costs including legal costs on a substantial indemnity basis, arising from or related to such recall, seizure or order to cease using, to the extent that such loss was caused by the Vendor/Contractor.

The responsibility of the Vendor/Contractor under this provision shall also apply in the case where any Canadian governmental or regulatory authority issues an order to seize the Goods/Services (for example, where the Vendor/Contractor failed to exercise the required corrective action and/or the license of the Goods/Services was revoked).

For clarity, the responsibility of the Vendor/Contractor to replace or repair the Goods/Services does not apply where the DDSB decides, in its sole discretion, to cease using the Goods/Services due to health or safety concerns and those concerns have not led to the request by the Canadian governmental or regulatory authority that the Vendor/Contractor take appropriate action to correct or to cease using the Goods/Services.

10.3 Lobbying

Lobbying is inappropriate. Engaging in this kind of behaviour may result in your Bid Submission being disqualified.

10.4 No Publicity or Promotion

No vendor, including a preferred Vendor/Contractor, shall make any public announcement or distribute any literature regarding this RFP or otherwise promote itself in connection with this RFP or any arrangement entered into under this RFP without the prior written approval of the DDSB.
