Dear

This is to acknowledge that I, \_\_\_\_\_, am an authorizing signing officer for \_\_\_\_\_, the Prime Contractor for Project Number

\_\_\_\_\_, have received and read the “University of Toronto Asbestos Management Program” and the “Designated Substance Survey Report”, and ensure that each of my workers and prospective subcontractor(s) for the project has received a copy of the documents referred above. We undertake to adhere to the University’s Asbestos Management Program, including Appendix D (Emergency Procedures in the Event of Unexpected Asbestos Release) (<https://ehs.utoronto.ca/wp-content/uploads/2018/03/AsbestosManagementProgram20190409.pdf>) and follow the University’s asbestos abatement guidelines as outlined in the specification. We also undertake to comply with Ontario Regulation 278/05 entitled “Designated Substance – Asbestos on Construction Projects and in Building and Repair Operations”, and Ontario Regulation 490/09 entitled “Designated Substances” made under the Occupation Health and Safety Act.

Yours truly,
