- a. The Supplier has experience of at least five (5) years of experience in multi-million dollar and multiplex infrastructure projects.**
- b. Be a General Contracting firm which has been in business for a minimum of seven (7) years**

2. Project Experience / Comparable Projects

The Supplier must provide three reference projects complying with the below criteria for the purpose of confirming the Supplier's experience and track record of success. The Supplier shall provide the requested references for clients who have obtained construction services similar to those required for the Project from the Supplier in the last five (5) years. Failure to provide verifiable experience shall result in the bid being declared non-compliant.

- a. Must demonstrate that the Supplier has attained substantial performance for at least three (3) significant renovation project similar in scope and nature to this project, of a facility which must have remained functionally operational during the renovation in the past five (5) years with a construction value in excess of \$1,000,000 Canadian Dollars.
- b. The City reserves the right to verify whether the Bidders are relying upon past experience of an affiliated/related legal entity including the nature of the corporate relationship and its relevance to this project. If, in the City's sole discretion, it is determined that a Bidder is relying on an affiliated/related legal entity's past experience and a transfer of the affiliated/related legal entity's experience cannot be demonstrated as relevant to this project then the tender will be deemed non-compliant and not be considered for award.
- c. The City reserves the right to verify past performance of the Tenderer or its affiliated entities on relevant past City projects (including the City's Agencies, Boards, Commissions and Corporations).

3. Qualification Requirements
