Bramalea Secondary School Countertop Replacement Science Rooms

TO: ALL POTENTIAL BIDDERS

This Addendum 2 has been issued for the above-mentioned RFQ in order to answer the following question:

Question 1:

Please be advised that more details are required to receive pricing from Mechanical and Electrical contractors. The drawings provided are not adequate enough to provide a quote.

Answer 1:

The Contractor is to visit school to check what is there. Everything removed will be reinstalled.

Please go to the school, to the main office, identify yourself and the purpose of your visit and kindly ask for the head custodian to escort you to the place you need to take the measurements, as you cannot go in any school by yourself. Please tell them that you got approval from the Project Manager in Maintenance for subject project through Purchasing.

All other terms and conditions shall remain the same.
