### Defence Construction (1951) Limited

---

**CLOSING DATE/TIME:** As indicated on the *Electronic Bidding System*

**PROJECT NO.:** MF500039\_83572

**AMENDMENT DATE:** April 1, 2025

**PROJECT TITLE:** Remove and Replace Refrigeration System at M-206  
Meaford, Ontario

---

#### **TO ALL TENDERERS:**

#### **THE PURPOSE OF THIS AMENDMENT IS TO GIVE EFFECT TO THE FOLLOWING:**

1. DCC has issued an Advance Procurement Notice (APN) number **MF500039\_CN83572** to allow contractors that do not hold a valid Designated Organization Screening (DOS) security clearance to initiate the sponsorship process prior to the launch of this solicitation.
2. To be eligible for contract award, a tenderer who does not hold a valid Designated Organization Verification (DOS) security clearance will be required to:
  - a. have submitted a *Sponsorship application* prior to the date of publication of this tender call as indicated in the *Electronic Bidding System* (MERX); and
  - b. meet all material requirements of the *sponsorship application package* by the closing date of the tender call as indicated in the *Electronic Bidding System* (MERX).
  - c. Have submitted a *Proposal* or *bid*.
3. Reference DCL32 – General Conditions, **INSERT** the new “1.1.2.25 and GC1.1.2.26”.  
1.1.2.25” *sponsorship application*” means the activity of having completed the questionnaire on the DCC web page and having forwarded the answers to the DCC Industrial Security Program (ISP).  
1.1.2.26” *sponsorship application package*” means the activity of completing and forwarding the following forms to the DCC Industrial Security Program (ISP): the Application for Registration (AFR) for Canadian legal entities form, the Company Security Officer form, the Security Agreement form, the Security Clearance form, the Fingerprints Applicant form, the Alternate Company Security form and the Personnel Screening form”.
4. Failure to comply with the requirements of paragraphs 2 will result in a tenderer’s bid being considered non-compliant. However, if DCC determines, in its sole discretion that the failure of a tenderer to obtain the required security clearance is due to undue administrative delay on the part of CSP or DCC, DCC may not, in its sole discretion, exercise its authority to disqualify such tenderer.

5. All tenderers should submit a completed Application for Registration (AFR) form with their tender as indicated in the Electronic Bidding System (MERX).
6. If a tenderer fails to submit the AFR form with their bid, DCC reserves the right to request that the tenderer submit the AFR form after the closing of the solicitation.
7. The date and time of the award will be at the sole discretion of DCC.
8. DCC recognizes that in some cases, additional organizational security measures may be required by PSC and that obtaining the required security clearance may be delayed due to factors beyond the tenderer's control. In such cases, PSPC's Contract Security Program (CSP) will inform DCC detailing the nature of the extenuating circumstances and the expected timeline for delivering the DOS or FSC.
9. Notwithstanding the existence of extenuating circumstances, if the tenderer is unable to obtain the required security clearance within the validity of the tender, DCC reserves the right, in its sole discretion, to declare the tenderer non-compliant, to award the contract to the next lowest compliant tenderer with the required security clearance, or to take any other action deemed appropriate.
10. The tenderer acknowledges that no compensation, reimbursement or indemnification will be provided for any costs, losses or damages incurred of any kind as a result of the failure to obtain the required security clearance within the specified time period.
11. The Contractor must, at all times during the performance of the Contract/Standing Offer, **hold a valid Designated Organization Screening (DOS)**, issued by the Contract Security Program (CSP), Public Works and Government Services Canada (PWGSC).
12. The Contractor personnel requiring access to sensitive work site(s) **must EACH hold a valid RELIABILITY STATUS**, granted or approved by the CSP, PWGSC.
13. Subcontracts which contain security requirements are NOT to be awarded without the prior written permission of the CSP, PWGSC.
14. The *Contractor* will be required to comply with the provisions:
  - a) of the Security Requirements Check List (SRCL# MF500039A) attached and including three (3) pages;
  - b) of the Security Guide;
  - b) of the Contract Security Manual, (Latest Edition).
15. All tenderers should submit a completed List of Names for Integrity Verification form with their tender, as indicated in the Electronic Bidding System.
16. If a tenderer fails to submit the completed List of Names for Integrity Verification form with their tender, DCC reserves the right to require a tenderer to submit the List of Names for Integrity Verification form after the tender closes.
17. Reference DCL193E – Instructions to Tenderers for Electronic Bidding – **DELETE** Item 17 and **INSERT** new Item 17:

“17 LANGUAGE OF THE CONTRACT

17.1 English shall be the language of the Contract and the entire written and verbal communication between the parties with respect to any matters related to the performance of the subject matter of the Contract.

- 17.2 Unless otherwise specified in the Contract, all contractual documents to which the Contract applies or refers, as well as all deliverables, documents, reports, and results of work, services, or goods that the Contractor submits, provides, or delivers to DCC or Canada as part of the performance of the Contract, shall be in English."
  - 17.3 DCC reserves the right to translate, either internally or through a third party, any deliverable produced by the Contractor. In the event that DCC proceeds with translation, the Contractor may be provided with an opportunity to review and comment on the translated deliverable.
18. Reference DCL32 – General Conditions, GC 3.10.3 – **DELETE** “3.9.1 of GC3.9” and **INSERT** “3.10.1 of GC3.10”.
19. Reference DCL32 – General Conditions – **DELETE** “3.8.1 of GC3.8” and **INSERT** new 3.8.1.

20. The Contractor must provide a Fire Safety Plan in accordance with the National Fire Code of Canada (NFCC latest version) section 5.6.1.3. The *Contractor's* responsibility for a Fire Safety Plan is limited to their construction activities and not for the whole building. Responsibility for fire safety of the building areas outside of the construction limits will remain with DND. DND/CF is responsible for the Fire Safety Plan for the occupied portions of the building. The plan shall be submitted to DCC by the *Contractor* within ten (10) business days of award for approval by the Base Fire Chief prior to commencement of construction or demolition operations. A copy of the approved Fire Safety Plan shall be posted and maintained on site at all times during construction and the *Contractor* shall ensure all persons accessing the construction site are briefed and adhere to the requirements of the plan.
  21. To bid on an opportunity, a bidder must be registered on the Open Construction Source List used to tender the opportunity. If the legal name of the bidder does not appear on the Open Construction Source List, then DCC may consider their bid as being noncompliant. If you change the name of your company, it is therefore very important that you notify DCC of the change as well as consider making the change to your MERX account.
  22. If you are forming a Joint Venture for the purpose of bidding on a contract, then at least one of the members of the JV must be registered on the Open Construction Source List used to tender this opportunity. If that is not the case, then your bid will be considered noncompliant.
