
Architectural

- Item 1** **CLARIFICATION:** in reference to the General Notes on drawing A1.00 Site Plan & OBC Matrix, **DELETE** item 4 in its entirety and **REPLACE WITH:**
4. Contractor (General Contractor) is responsible for the supply and installation of the foundations for both the new portapack modular building (coordinate with portapack supplier as needed) and the relocated single portable. This scope includes relocation of the existing single portable that is currently on site, new wood stairs for the single portable, and all site related work.
